2020 WLFC Scholarship Winner

Olga was born in Cuba and migrated to Miami, FL at the age of ten. Her family was her inspiration to work hard, they had left their home country behind in the search for better opportunities. Her passion for justice led her to attend law school. While in law school, she has sought out varied experiences in vastly different areas of the law. She has enjoyed each experience and has embraced the challenges she has faced with a positive attitude and a determination to succeed. Olga wishes to make a positive impact in her community and ultimately give back so much of the generosity that has been extended to her throughout her life.
